Dear Mrs Stevens.

Confirming the dates I gave you over the phone today, I had commenced duty with DCA 16-8-37 and retired 2-1-63.

I also enclosed a copy of the article prepared for publication in the Institute magazine 'AIR'. When published I will forward a couple of copies as requested.

Hoping that things turn out ok for you

I am,

Sincerely

Marcel H. Savage

P.S. Do not hesitate to ring if we can be of any service in these troublesome times.
